REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: First four references cited in PTO-892 appear to have each a lenticular lens sheet very similar to that of the present invention. However, when it comes to detailed configurations of each lens of the sheet, such as characterized by formulae and conditions given in independent claims 1 and 6 of the present invention, the references in consideration are far different.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
